Inclusion and diversity

Berwick Chase Primary School strives to provide a safe, inclusive and supportive school environment that values the human rights of all students and staff.

Berwick Chase Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Berwick Chase Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community. We will not tolerate behaviours, language or practices that label, stereotype or demean others. At Berwick Chase Primary School, we value the human rights of every student, and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Berwick Chase Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and, where necessary, are reasonably accommodated to participate in their education and school activities (e.g. schools sports and concerts.) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and well-being outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Berwick Chase

Primary School. We will take appropriate measures, consistent with our *Student's Well-being and Engagement* and *Bullying* policies, to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Berwick Chase Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, teachers and, if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability, please refer to our school's, e.g., *Student Wellbeing and Engagement* policy or contact the leadership team for further information.
